Industrial Advisory Board (IAB)

For the professional development of students, Department of Computer Science has constituted an Industrial Advisory Board (IAB).

IAB is a platform of highly qualified and experienced professionals from industry and academia. It provides platform to discuss and plan students' career prospects and future endeavors.

Secondly, establishment of IAB also vouches for a strong academia-industry linkage and minimizing academia-industry gap through developing teaching standards required by the industry.

Placements & Careers:

- Software Houses
- Technology Incubators
- E-Commerce Startups
- Pharmaceutical Companies
- Financial Institutions / Banks
- Manufacturing Industry
- Multinational Corporations
