

**Name:** Ms. Bilqees Fatima  
**Designation:** Senior Lecturer  
**Qualification:** M. Phil. (Pharmaceutics) Pharm-D  
**Email:** bilqees.fatima@shu.edu.pk

## **Profile**

Ms. Bilqees Fatima joined the Salim Habib University in July 2019; currently working as senior lecturer of Pharmaceutics. In this role, she develops, delivers, manages, and evaluates continuing professional development of pharmacy students; provides educational support to the students. She has developed an innovative approach of teaching to undergraduates through creating and presenting course materials in both laboratory and classroom settings. She holds Doctor of Pharmacy (Pharm-D.) and master of science (M. Phil.) with a focus in Pharmaceutical Sciences from Hamdard University, Karachi. She is currently a fellow doctor of philosophy in Pharmaceutics from Jinnah University for Women. She has over 8 years of experience in pharmaceutical research and academia; has authored or co-authored sixteen research publications in journals of national and international repute.

Ms. Bilqees has previously worked in Pharmaceutics department, Hamdard University for more than 6 years. She has also co-supervised M. Phil. research projects with emphasis on evidence based rational use of antibiotics. Ms. Bilqees has presented her research at international conferences.
